

TEMPORARY IMPORTS TO THE USA

IMPORTANT NOTICE

Please ensure that the *white re-exportation form* is completed by US Customs when the goods depart the USA. Goods must be re-exported from the USA prior to the expiry of the Carnet.

Failure to do so may result in a claim being filed by US Customs. If the Re-exportation Counterfoil is not completed by US customs then the security bond will not be released until 12 months after the expiry of the carnet subject to US Customs claims being raised.

- If the re-exportation form is not completed, fees will be payable to the Wellington Chamber to cover the penalty fee ('regularisation fee') levied by US Customs.
- If goods are not re-exported prior to the expiry date, penalty fees will be payable and full payment of tax/duty will also be required if the goods are re-exported after the Carnet expiry.

ALWAYS INSIST THAT US CUSTOMS COMPLETE THE RE-EXPORTATION FORM.
